Welcome to the 2019 Holiday Season. We are focused on finishing the year strong and both our Membership Satisfaction scores and New Memberships in Q4 will allow us to do so.

A few highlights from our 2019 Membership Survey include:

“Overall, how satisfied are you with your member experience”. You scored us a 4.43 out of 5.00, which is a 10% increase over last year and greatly exceeds the Troon Privè median which was 4.19.

Our Net Promoter Score, which asked “How likely would you be to recommend membership to a friend or colleague” was a strong 55.3%, which was a 37% increase over last year’s score of 40.4%.

We certainly want to celebrate our successes, however we also realize that we still need to focus on continuous improvement in all areas such as consistency of service, variety of offerings and enhanced programming with the valued feedback you provided.

Some of you also mentioned our long and short term plans for the golf course in the comments section of the survey. As we go through the irrigation project, we are finalizing our strategic plans for the overall golf course conditions, and we will keep you posted as we progress. We also are pleased to announce that the Driving Range Comfort Station Construction began on Oct. 30th and this will be an 8-10 week project. Email updates will be provided as we make progress with J Davis Construction.

We are set for a very strong close to 2019 for membership. Tours are on the rise for membership. We set new tour records for the months of August, September and October! 2018 closed out with 125 membership tours for the entire year. As of October 28, we are YTD at 134 tours.... And we still have two more months!

I’m also excited to report that in the last two months of the year we will welcome 3 new Full Equity members for a year to date total of 15, a former National member will return as a Full Equity member and we will have closed another Corporate Bundle.

I’d like to mention that of these new members, two of them began this season as renters. Renting in Champion Hills has always been pivotal for membership growth and this year is no exception.

Thank you all for welcoming our renters with open arms and making them feel right at home. I’ve witnessed it countless times at Thirsty Thursday where prospects, renters and new members are welcomed into our Champion Hills family. This camaraderie is part of what makes Champion Hills so very special and is essential to the growth and sustainability of our membership. I encourage you to keep up the good work in 2020!

# 'TIS THE SEASON OF GIVING!

The year has gone by faster than we'd like and the holidays will soon be upon us. Once again our entire Champion Hills Community will have the opportunity to be Christmas Angels. Our Angel Tree will be on display in the Clubhouse Lobby beginning November 6.

The first group of Angels on the our tree will be children of the Champion Hills hourly employees. Once these Angels are taken we will fill the tree with Salvation Army Angels. We will have individual children, siblings, and sometimes larger families, so feel free to partner with one or two others and take multiple children. A sign-up sheet will be with the tree in the lobby. Attached to each Angel will be specific instructions on return dates, etc.

Please take an Angel and make Christmas merry for a needy Henderson County child. If you will not be here for the holidays but want to sponsor a child, call Cindy Schafer (828.595.2711) or Diane Corvino (330.424.2191) . We have a wonderful committee that will be happy to shop for you. If you would prefer to make a monetary donation, we will gladly accept that too! Please make checks payable to Cindy Schafer and mail to 204 W. Chimney Crossing Hendersonville, NC 28739.

Thank you in advance for all your support and keep an eye on your inbox for updates!

-Cindy Schafer & Diane Corvino

# COUNT YOUR ACES

By Melody Loudin

Your stance is perfect, the wind is friendly and your swing is out of this world. A deep breath pulls through your lungs as your club hits the ball just as you have practiced and imagined for. The ball goes straight toward the pin, and before you can even process what has happened, it rolls right into the hole. Two Champion Hills members experienced this feeling less than 24 hours apart from each other on October 3 and 4, 2019.

Lee Weber and Jim Petillo both had ecstatic looks of pride and surprise as they entered the Fazio Pub for their free drink once retiring from the course. Friendly faces and camaraderie filled the pub as the Hole-In-One Club members congratulated the two men for their great accomplishment. It's not every day that someone gets a hole-in-one at Champion Hills but it is even rarer that two members get holes-in-one within 24 hours of each other.

According to the United States Golf Register, the odds of hitting an ace are one in every 33,000 swings. And, on average, a golfer could get a hole-in-one every 330 rounds. Sounds like incredible odds, but at Champion Hills, lightening did strike twice for Jim and 5 times for Lee!

**Lee Weber got his FIFTH hole-in-one at Champion Hills on the 9th hole with a Ping L-Wood from 159 yards.**

**Jim Petillo scored his SECOND hole-in-one at Champion Hills on the 17th hole with a 4-hybrid from 144 yards.**

Who will be next to score a hole-in-one at Champion Hills? Will it be you?

## HUFF & PUFF BEFORE YOU STUFF

Join Ashleigh on Thanksgiving at 8:15 am for a calorie burning ride!

Gratitude is my natural disposition, I am a "glass half full" kind of gal. Not all of us are cut from the same cloth. It might take some of you some discipline to remind yourself of the many reasons you have to be grateful. It is the season to take a quick time out, look around at all your blessings, and say thanks.

# REAL ESTATE LISTING OF THE MONTH

## 19 Wild Flower Hollow | \$535,000

Live the good life in this lovely Meadow Ridge Cottage where your landscaping is included in your Property Owners Assoc. fees. Inside you'll find beautiful hardwood floors, spacious great room with handsome stone fireplaces, wall of windows and open to the dining area. The kitchen has richly stained Shaker style cabinetry complete with plate

and wine glass display. There are plenty of granite counters to make meal prep easy and pretty glass tile back-splash. This spacious master suite has sliding doors to the screened porch which is currently used as a sleeping porch, but could be your outside dining and place to watch TV. Also on the main is a second bedroom or office with full bath. Upstairs has another guest suite. The wooded back yard gives you that tree house feel inside, and there is some view potential with permission. Over-sized garage plus another side golf cart garage with storage area. 8 minutes to downtown Hendersonville with grocery stores, restaurants, galleries and more!
